

Go simple. Go big.

Especially designed to help schools build their online presence to create a stronger visual impact among parents and students.

## BENEFITS

### Premium Design

Refurbish your website with a premium design to create a stronger visual impact and branding among parents and students.

### Access Control

You can assign different editors to different webpages. This gives you more control in managing your website.

### Simple To Use

Minimal effort is needed to maintain your school's website. This means more time allocated for important activities.

### Support

We understand that security is important to all. Our robust back-end system secures important data to reduce risks.

### Affordable

From basic to premium designs, we have different pricing packages especially designed to meet your requirements.

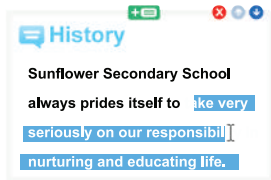

### Engage

From Swiit's mobile application to photo gallery, you can stay connected with the alumni, students and parents, and create a sense of belonging and identity among them.

# Features at a glance

## SIMPLE TO USE

### ① Point and Type

### ② Drag and Drop

### ③ Publish

## ENGAGE

### Photo Gallery

Reminisce the past by featuring candid photos taken during past events.

### Search Field

Fast and efficient, information can be accessed instantly with just a click.

### Contact Form

Another way to stay connected with parents, and gather feedback to enrich visitors' experience.

### Download Centre

From booklists to consent forms, you can park all downloadable documents at one place for easy access.

### Mobile Application

Visitors can have access to all the latest news and information at their fingertips.

### Virtual Tour

Pique the interest of potential students by taking them on a mini school tour via the website.

## CUSTOMISATIONS

### Web Applications

Feast your visitors with a variety of powerful features on your school's website.

### Stunning Designs

Refurbish your website with a premium design to create a stronger visual impact and branding among parents and students.

## ENTERPRISE OPTIONS

### Instant Microsites

With individualized theme templates available, you can create microsites and assign editors to manage different websites easily.

### Centralized Management

With the single sign-on feature, you can access and edit all your websites conveniently.

## SUPPORT

### Training

New to Swiiit or need a refresher course? Give us a buzz to arrange for a training session.

### Helpdesk Support

We are dedicated to providing ultimate support for your enquiries.

### Security

When it comes to the security of your data, we do not compromise.

## AFFORDABLE

### Competitive Rates

With Swiiit's collection of offerings served at your doorstep, you can adorn your school's website at such a great price.
